A MESSAGE FROM OUR ROTARY CLUB PRESIDENT

As I reflect on my term as President, I am filled with gratitude for the privilege of serving the Rotary Club of Sacramento during our 112th year. It has been a true honor to work alongside Rotarians who symbolize Service Above Self, and to see up close the difference we make in our community and around the world.

This year, our club reached remarkable milestones. We carried on our proud tradition of providing scholarships through our Youth in Philanthropy program, supporting developmentally disabled youth through our 104th Golf for Kids event, welcomed 894 riders to another outstanding Sac Century Challenge, raised thousands of dollars toward Rotary's mission to eradicate polio, and so much more. Thanks to the tireless work of our International Services Committee, we also directed significant resources to global projects that bring clean water and restore dignity to communities in need.

None of this would have been possible without you. Every volunteer hour, every gift, and every act of fellowship strengthened our Club and The Rotary Club of Sacramento Foundation. I am deeply thankful for each of your contributions, and for the friendship and support you have shown me throughout this year.

As I consider what we will do together in the coming year and beyond, I do so with great confidence and pride. Together, we can continue to turn compassion into action and make our Sacramento region an even brighter, stronger, and more vibrant place to call home.

With gratitude,
KERRY WOOD

International Service: Changing Lives Around the World

During the 2025-2026 Rotary year, the International Service Committee advanced the Club's commitment to global humanitarian service by supporting five Rotary Global Grant projects focused on health, education, clean water, and opportunity. The Club pledged $25,750, which leveraged Rotary Foundation matching funds to create an estimated $73,350 in total project impact. These investments will improve the lives of more than 44,500 people in Pakistan, Kenya, Ethiopia, Zimbabwe, and Vietnam through initiatives addressing malnutrition, vaccine access, water and sanitation infrastructure, educational opportunities, and women's health.

The year was highlighted by the approval of Project Dignity, an ambitious $800,000 Global Grant authored by our Club and approved by Rotary International in June 2026. Developed in partnership with World Vision and the Rotary Club of Danang, the project will serve approximately 7,500 beneficiaries in Vietnam's Điện Biên Province through efforts to prevent human trafficking, support survivors, promote safe migration practices, and create economic opportunities for vulnerable women, children, and families. The approval of Project Dignity represents a major milestone and underscores the Club's growing leadership in delivering sustainable, life-changing solutions on a global scale.

Lee Phair ISC Fund

Clayton Lee and John Phair have been passionate leaders of our ISC and are recognized experts in the world of Rotary global grants. In recognition of their tremendous contributions, the Board of Directors in 2024 created the Lee Phair Fund where Rotarians can make contributions designated to support future ISC grants – very deserving recognition in honor of these two great Rotarians!

Trailblazer Members: Making a Transformational Impact

Trailblazer Members represent an extraordinary commitment to the future of the Rotary Club of Sacramento Foundation. Through a one-time unrestricted gift of $10,000 or more, these generous donors provide flexible resources that allow the Foundation to respond to emerging needs and expand its impact across our community. Their leadership strengthens the Foundation's ability to invest in service projects, scholarships, youth programs, and charitable initiatives for years to come.

2025-26 Highlight: We are proud to recognize **Past President Wes Yee** as this year's Trailblazer Member, whose leadership and generosity continue to advance the Foundation's mission and long-term sustainability.
